

Driving decarbonization and digitalization. Together.

Working Student: oneSAP Project Communication (f/m/div)

Job description

Are you a creative and team-oriented student looking to apply your skills in a dynamic and international environment? Do you have a passion for writing and a knack for communication? We're looking for a talented individual like you to join our oneSAP Change Management, Communication and Training team and drive digital transformation. At Infineon, we are more than 58,600 employees worldwide at 86 locations. If you want to become a part of a true global player, and help us make life easier, safer and greener, then apply! We are looking forward to hearing from you.

- **Teamwork is dreamwork:** You support in planning and executing (virtual) team events
- **Convince with words:** You conduct and write interviews and articles e.g. for our Intranet
- **Keep the overview:** You maintain different communication platforms e.g. the Intranet and the oneSAP Community, which are based on Microsoft Sharepoint, and will be trained to work with Webex, Slido, and Miro boards
- **Reliable work:** You proof-read and record training modules with an eye for details
- **Be creative:** You create attractive PowerPoint presentations and artwork in line with the Infineon brand
- **Shape the future:** You are involved in global change management activities across many Infineon locations worldwide

Profile

- **Study field:** You are currently studying Marketing, Communication, Journalism, Business Administration or similar
- **Way of working:** You are an open-minded person, and you love to work in a team
- **Interests:** You are creative and enjoy writing
- **Skills:** You are very well-versed in Microsoft Office, especially PowerPoint, and Word
- **Availability:** You are available to work with us for at least 2 years as a student, ensuring a long-term collaboration and mutual growth
- **Language skills:** You have outstanding English skills, both written and spoken

Driving decarbonization and digitalization. Together.

Infineon designs, develops, manufactures, and markets a broad range of semiconductors and semiconductor-based solutions, focusing on key markets in the automotive, industrial, and consumer sectors. Its products range from standard components to special components for digital, analog, and mixed-signal applications to customer-specific solutions together with the appropriate software.

–You can find the headquarters of Infineon Technologies AG in Neubiberg –

In Campeon, besides working towards our goal of being one of the most sustainable companies in the world, we are improving everyone's future by making the technology of tomorrow.

At Infineon, we take work-life balance very seriously. You will be a step away from the center of Munich with its infinite possibilities. Whether you're a history buff, a foodie, or simply looking for relaxation in the city. Munich has something for everyone. Come and discover the warmth and charm of this city, where Bavarian hospitality meets modern urban living.

We are on a journey to create the best Infineon for everyone.

This means we embrace diversity and inclusion and welcome everyone for who they are. At Infineon, we offer a working environment characterized by trust, openness, respect and tolerance and are committed to give all applicants and employees equal opportunities. We base our recruiting decisions on the applicant's experience and skills.

We look forward to receiving your resume, even if you do not entirely meet all the requirements of the job posting.

Please let your recruiter know if they need to pay special attention to something in order to enable your participation in the interview process.
