

Driving decarbonization and digitalization. Together.

Senior Project Manager

Job description

As a Senior Project Manager for Programmable System on Chip (PSoC) Microcontrollers, you will coordinate the Project Team – Concept, Design, Marketing, Product, Test Engineering, and Quality Management – in compliance with the defined SocC development process and in conformance with Automotive Functional Safety and Cyber Security Standards. If interested, apply today!

In your new role you will:

- Lead the Automotive Microcontroller - Chip Integration Project
- Be responsible for the project planning and execution of Automotive Microcontroller incl. Cost, Quality and Schedule
- Prepare detailed project phase planning from architecture description to tape out
- Be responsible for coordination of technical leads and structuring the project in work packages
- Act as the interface for communication between ATV MC and central R&D functions regarding design system requirements
- Play an active role in the definition of the Technology for Automotive Microcontroller taking business aspects into account
- Contribute to the positioning of our products in the market by optimization of power, performance and chip area

Profile

You are best equipped for this task if you have:

- A degree in Electrical Engineering, Electronics Engineering or comparable
- At least 7+ years total experience in silicon development with at least 5+ years of Project Management experience
- Exceptional leadership and coordination skills to steer cross-functional and cross organizational teams as well as external partners
- Knowledge in Automotive standards (e.g. ISO16949, ISO 26262, ISO21434) and Microcontroller is highly appreciated
- Experience working in a collaborative environment and willing to drive the team to deliver products to marketing needs in fast moving industry
- Experience with numerous program management tools (e.g., Microsoft Project), methodologies and best practices
- Technical Background in System-on-Chip Design is a plus
- A Project Management Certification – PMP or PMI
