- Programming knowledge in C#/C++, Unix/Java, Python etc.

**Remarks: GTP is a Graduate Technical Program (1 year contract position), specifically for students who has completed their first Bachelor's Degree with CGPA of at least 3.0 and above only**

### Why Us

**Driving decarbonization and digitalization. Together.**

Infineon designs, develops, manufactures, and markets a broad range of semiconductors and semiconductor-based solutions, focusing on key markets in the automotive, industrial, and consumer sectors. Its products range from standard components to special components for digital, analog, and mixed-signal applications to customer-specific solutions together with the appropriate software.

**We are on a journey to create the best Infineon for everyone.**
