

Driving decarbonization and digitalization. Together.

Accountant for Asset Accounting and General Ledger (f/m/div)

Job description

Do you consider yourself a highly motivated professional and with a proven accountant background? Do you want to gain experience in a central department of a global technology company? As an Accountant for Asset Accounting and General Ledger, you will be part of a highly skilled team and contribute to set the standards in the Accounting Services of our Shared Service Center.

As an Accountant for Asset Accounting and General Ledger, you will support the processes within the Austrian and Europe region team, ensuring quality and effectiveness, securing compliance, and providing accurate information and timely reporting.

In your new role you will:

- Perform **daily bank account allocation and reconciliation**
- **Process Journal Entries and Recurring Entries** for monthly and quarterly closing
- **Execute closing activities**, both in IFRS and Local Gaap
- Prepare **Legal Entity Reporting, Add Notes, Analytical Review, BS and IS Reconciliations**
- Support **audit queries**
- Act in accordance with **IFRS guidelines and IFX processes**
- Perform **fixed assets master data creation and maintenance**
- Support **closing and reporting activities**, including depreciation run, problem solving and guidance
- Execute **assets activation, disposal, impairments, intercompany transfers** and other service requests, ensuring CIP (Construction in Progress) is monitored and reconciled
- **Communicate with IFX business partners** (Local FIN, Controlling, Central Departments, TAX, internal requestors, etc.)

Profile

You are a proactive person and enjoy generating value with your ideas and solutions. As you are a fast learner often exploring unknown boundaries you weigh up opportunities and risks carefully to bring up feasible solutions, while maintaining high quality standards. Your excellent communication skills allow you to quickly establish a successful cooperation and sustainable relationships with people across all levels of the organization. Moreover, you are an enthusiastic person thrilled with the way how Accounting works in a multinational company.
