

Driving decarbonization and digitalization. Together.

Working Student: Marketing and Communications (f/m/div)

Job description

Are you passionate about marketing, communication, and branding? Do you want to get deeper insights into a multinational high-tech company that is a driver of innovation across many industries? Then this student job is a great opportunity for you! At Infineon's Automotive Microcontroller (ATV MC) division we are looking for a content-savvy team player to leverage creativity and support us with exciting digital marketing topics. As a student you will be a full-fledged member of our Central Marketing function in ATV MC and closely collaborate with many different teams and departments. Are you interested? Then don't hesitate and apply now!

- **Convince with words:** You support in creating marketing collaterals, such as product brochures, product brief, selection guides, press releases, newsletters etc.
- **Keep up to date:** You create presentations on various marketing and communication topics
- **Holistic overview:** You consolidate relevant inputs from different teams in Microcontroller functions on several marketing, content, and tradeshow topics
- **Organizational talent:** You support planning and execution of tradeshows, conferences, trainings, and workshops
- **Creative mind:** You support in preparation of promotional activities, such as social media posts, Webinars, and product Q&A sessions
- **Reliable work:** You manage and maintain team webpages

Profile

- **Study field:** You are currently studying marketing, communication, business administration, or a similar field with very good grades
- **Skills:** You have excellent skills in Microsoft Office as well as an eye for design and a flair for copywriting
- **Way of working:** You have a highly structured, analytical, result-oriented thinking and proactive working style
- **Experience:** You already have some relevant working experience in marketing field; experience with HTML, graphic design and digital marketing tools is a plus, as well as experience in event management and organization field
- **Interests:** You have strong interest in the automotive industry and relevant innovative technologies
- **Language skills:** You have fluent English skills, both written and spoken
