

Visitor Information

Infineon Technologies AG – Warstein Site

Dear Visitor,

Welcome to Infineon at the Warstein site. With this information sheet, we would like to give you an overview of your travel options. We look forward to your visit!

- Please report to the visitor reception
- Reception informs your interlocutor of your arrival;
You will then be picked up by your interlocutor
- The taking of photo, video and audio equipment is not permitted at Infineon
- Entering our grounds is at your own risk
- Please also have understanding for possible controls by our security service

We are constructing a new building.
Please note the new visitor address.

Visitor Address

Due to construction work on a new building, the Infineon gate at Max-Planck-Str. 5 is currently not accessible.

Please use the entrance and visitor car park to the gate instead:

Emil-Siepmann-Str. 32

59581 Warstein

Telephone Reception: +49 (2902) 764 0

Infineon Technologies AG

Max-Planck-Str. 5 | 59581 Warstein
(currently not usable)

Distribution & Warehouse:

Lise-Meitner-Straße 30

59581 Warstein

Do you need a taxi for your journey to the airport or to the city center? The reception will be happy to assist you.

Visitor Information - Arrival

Car

Follow the A44 motorway (Dortmund-Kassel) to the Erwitte-Anröchte/Warstein exit. This A44 is located about 70 km east of Dortmund and about 120 km west of Kassel. Then head south along the B55, follow the signs in the direction of Meschede. Warstein-Belecke is located directly on the B55. Infineon Warstein is at approx. 10 km from the Erwitte-Anröchte exit.

Railway

- Lippstadt station (Interregio, ICE/IC),
- Soest: approx. 25 km
